

Gale Shield

Weather Control Screens

Is the answer to 'Ole Man Weather'

Let the

VIEW IN

Keep the

**WEATHER
OUT**

Owner - Judy Herson-Hord says:

"GaleShield Screens really keep the wind and the rain out of my arena and now we can ride next to the wall in dry footing. Plus, unbelievably, we still have the view of the surrounding countryside. My students think this is great. The protection from the weather elements will provide expanded utilization of the arena year around. GaleShield screens are a great investment."
